and we also learnt lots of important things.

**Drop off and Pick up Areas**

In ‘Drop-off and Pick-up’ areas in front of the school ‘No Parking’ drivers may stop to drop off or pick up children, however No Parking rules apply:
- Maximum stop time is 2 minutes
- Driver must remain in or within 3 metres of the vehicle
- Vehicles must not be left unattended

Additional safety tips for school zones:
- Always drop-off or pick-up your child from the designated area, following the school’s procedures.
- Make sure children use the footpath-side door when getting in and out of a car.
- Make sure the hand brake is applied when the vehicle is stationary.
- Never double park.
- Never park across a pedestrian crossing.
- Never undertake a U-turn in close proximity to the school.

Thank you for your support in keeping our students safe when arriving and leaving school.

**Help needed?**

Our school canteen does a great job and as the weather warms up we are finding that we need more volunteers to help in the canteen. If you are able to help serve at recess, lunch or both we would love to hear from you. Any time that you can spare would be great. Please contact Natalie at the school canteen if you feel you could offer some help.
Great Work
On Friday when I looked out into the playground I saw a sea of red. It was wonderful to see our students supporting our very important Day for Daniel. Students participated in activities in class about keeping kids safe through recognising, reacting and reporting. Great work Blue Haven Public School.

Hope you have a great week,

Ruth Goodwin
Principal
