Tuesday 24rd June

Disco

Last Thursday afternoon and night many students danced their hearts out at our school disco. Students had great fun dancing to the music played by our D.J’s Miss French and Miss Glawson. Yummy food and drinks were available from our canteen to refresh everyone during dances. I would like to say an enormous thankyou to our P&C, School concert committee and teachers who supported the disco. All of the money raised at the disco will be used to support our school concert in Term 3.

Parent Teacher Interviews

Parent teacher interviews will be held on Tuesday 22 July 2014 at 3pm to 6.30pm. They can be booked online at www.schoolinterviews.com.au. The flyer in today’s newsletter gives details on how to book an interview. We look forward to seeing you to discuss your child’s progress. Please note that interviews for 4T (Miss Tynan) will be held on the following Tuesday, July 29.

School Uniform

As the weather begins to get colder, we are starting to see many coloured jumpers at school that are not part of our school uniform. Correct school uniform is an important part of our school rules and shows respect. Uniforms can be purchased from our uniform shop on Mondays 2.00 - 2.30pm or online at www.flexischools.com.au. Please encourage your child to wear the correct school uniform to school every day.
The theme for 2014 is Serving Country Centenary & Beyond. The artwork was done by harry Alfred Pitt, a Torres Strait Islander man. His concept for the poster depicts three brothers with their land behind them and the horizon in the water, giving the brothers the strength to overcome the challenges that may lie over the horizon. ‘My work acknowledges the young men and women of today who are across the sea doing their very best to protect their home and serve their country, empowered by their ancestors. Our soldiers are embracing their heritage and protecting their homes, just as their ancestors did before them, only now they do this beyond the shores of their homeland.’

Disco Success!!!!
The Concert Committee at BHPS would like to thank everyone who came along on Thursday to our school disco. The night was an enormous success and fun was had by all. There were some outrageously good costumes and many great moves on the dance floor. A big thank you to all the helpers and the P&C who supported the school fundraising efforts in the canteen supplying food and beverages. The money raised will go towards supplying resources for our upcoming school concert. We look forward to many more exciting school discos.

Kinder bedroom designs
This term Kinder have been studying the unit ‘Our Place’. We set them a little project of making a model of their bedroom. We had many exciting models produced and carried very carefully into school. We are very proud of the students’ efforts. Thank you to the parents/carers who helped with this project. As you can see we have many budding architects/designers in Kinder.
Kinder Teachers

**NAIDOC Week**

NAIDOC is a celebration of Aboriginal and Torres Strait Islander cultures and an opportunity to recognise the contributions of Indigenous Australians in various fields.

NAIDOC stands for National Aborigines and Islanders Day Observance Committee.

This year’s NAIDOC theme honours all Aboriginal and Torres Strait Islander men and women who have fought in defence of country.

This year we will be celebrating NAIDOC Week with a variety of activities that will be taking place across the school for nearly the whole week. Today we opened NAIDOC Week with a cleansing ceremony. On Tuesday, the students will play some Aboriginal games at our Athletics Carnival and on Wednesday will be involved in an Aboriginal DTT (Doing Things Together) day.

On Thursday at 9:30, we will hold a whole school NAIDOC assembly. Parents are invited to join us for this ceremony which is a celebration of our Aboriginal students and Aboriginal culture. In the afternoon watch our Indigenous vs All Stars netball and touch footy games which will be fun way to end our NAIDOC week celebrations together.

**Junior Landcare**

Junior Landcare would like to congratulate KC,3C,5CK,6G and 6S for continuously never having any source of power on, when we have gone around on our power checks. All of the other classes if you don’t turn off all of the electrical things in your classroom when your not in there its called wasting power. If we waste power, we waste the money we could use for more equipment including ipads, computers and sports stuff. Don’t waste POWER!
