Year 5 & 6: 4P & 4F
We look forward to seeing you to discuss your child’s progress.

Sports Carnival

Unfortunately last Thursday it was too wet to hold our Sport’s carnival and we had to again postpone the carnival until this Thursday, 30\(^{th}\) July. I am sorry for any inconvenience that this may have caused families but we need to ensure that the ground is dry enough to run on safely. We are hoping for sunny weather this week so that our carnival can go ahead as planned. It will be held at Blue Haven Oval from 8.45am. Students 8 years and older wishing to run the 800m race should meet at the oval at 8am. There will be a sausage sizzle and canteen available on the day. We hope that you will be able to join us for this fun event.

Education Week 2015

Education Week is a major event on the NSW public schools calendar. Education Week is a time to celebrate the achievements and successes of our students, teachers and support staff across all NSW public schools. 2015's theme is 'Celebrating Local Heroes’. At Blue Haven Public School we will be talking about Local Heroes in the classroom and also holding our Public Speaking Competition, Parent Morning Tea and Open classrooms this Friday to celebrate Education Week.

2016 Enrolments

We have begun our planning for 2016. It is important that we have accurate numbers of kindergarten students who will be coming to our great school in 2016. If you have not yet made contact about enrolment for 2016 please do so as soon as possible. If you know of any community members who have children who are due to start next year, please ask them to make contact with the school’s front office team.

When enrolling please remember the following items: (All items should be originals, we can make copies) * Your child’s birth certificate * Proof of address (Rates notice, rental agreement, electricity accounts etc), * ACIR Immunisation Statement, * Medical Plans (Asthma,
Anaphylaxis etc), * Supporting medical paperwork/reports from specialists if your child has any additional needs, * any family law, AVOs or relevant court orders.

**Woolworths Earn & Learn**

We are excited to be taking part in the Woolworths Earn & Learn program. You can help our school by collecting Woolworths Earn & Learn Points. Just collect Woolworths Earn & Learn Points when you shop at Woolworths between Monday 15 July and Tuesday 8 September 2015. We will redeem these for awesome educational resources for our school.

Simply pop them onto a Woolworths Earn & Learn Points Sheet and once it’s completed, just bring it back to school or drop it into the Collection Box at your local Woolies. The more we collect, the more we can redeem. There are thousands of products available through the Woolworths Earn & Learn program, and we’d like to get lots of new gear! Products in the range include resources for mathematics, English, science, art & crafts, through to sports gear, library supplies and more.

We are grateful for your support and look forward to a successful program. If you have any questions, please ask at school.

Have a great week of learning, Blue Haven,

Principal (Relieving)
Supporting Students – End of Recess and Lunch
PBL (Positive Behaviour for Learning)

At Blue Haven Public School, we take pride in being:

- Safe
- Respectful
- Responsible

This week’s lesson is based upon ‘End of Recess and Lunch’. This time at school is busy with students from all grades moving off the playgrounds and to their lines. Expectations for specific behaviours will be outlined through explicit, creative lessons where students will practice these skills with their classes. Classroom teachers will be referring to the poster on a daily basis to reinforce the concept of what it is like to be Safe, Respectful, and Responsible at the End of Recess and Lunch. Please discuss these expectations with your children.

Fed Up
WITH CHILDREN’S BEHAVIOUR

Can food really affect my child’s behaviour?

‘we would still be living with an unhappy, difficult child’

Difficulty falling asleep, frequent night waking

Asthma, itchy skin rashes, migraine

‘YOU TOUCHED OUR LIVES IN AN INCREDIBLE WAY’

Depression, unexplained tiredness, difficulty concentrating

Arguments, ODD, tantrums

‘you gave us the chance to see what a beautiful little boy we have been blessed with’

Bedwetting, sneaky poos, sticky poos

Hidden & new food additives, what’s wrong with fruit

Former teacher and psychology graduate, author of the famous Fed Up series, Australian of the Year finalist in 2009, Sue Dengate became interested in food intolerance after recognising the effect of foods on her own children. In the past 25 years, Sue has spoken to tens of thousands of parents in Australia, the USA and the UK. www.fedup.com.au.
